Child Abuse Prevention Block Walk

When: April 2, 2011
11:00 am - 2:00 pm

Where: Mission County Park
Pavilion #2
6030 Padre Dr
San Antonio, TX 78214

Please join Senator Uresti and the Blue Ribbon Task Force as they take their child abuse awareness message door-to-door in South San Antonio neighborhoods on April 2, 2011 from 11:00 a.m. to 2:00 p.m. The neighborhood walk is designed to spread the word about the community services and resources available to struggling families.

So far the effort has had a huge impact on the lives of many children in our community. We hope you can spare a few more hours this month to add your voice to a larger chorus of fellow child advocates who are determined to make the most of this year's Child Abuse Prevention Month. Together we can plant a seed of hope for our families.

To confirm your participation at the BRTF block walk, please contact Vanessa Chavez with the Office of Senator Carlos Uresti at 210-932-2568 or vanessa.chavez@senate.state.tx.us.
