Mosaic
CONSULTING

Resolve, Rebuild, Rediscover

Mosaic Consulting is made of the clinicians of Pathways Youth & Family Services who provide therapy services to children, adolescents, couples, adults, and families in the San Antonio community. With special areas of expertise in issues related to foster and adoptive care, as well as a variety of life stage issues common to all people, this team of skilled professionals is expanding to reach those in need.

We are proud to welcome and announce the addition of April Brown, PhD who is a play and filial therapist. She is providing in-home and in-office services to young children and their families.

We welcome your support in our newest venture to build an incredible play therapy room in our San Antonio office and provide an incredibly valuable resource to expand our ability to serve you.

**Simply come to EZ's between
5-8pm and enjoy a variety of
menu items. Drop your receipt
in our fundraising box and EZ's
donates 20% of the proceeds to
Mosaic Consulting!**
