

# Thank you Del Rio!

Once again, Del Rio has come together  
to help the children in our community.

On June 21st, the Del Rio  
Rotary Club and Rotoract  
performed an "Extreme  
Makeover" on the Pathways

Children's Shelter, providing furniture, paint and decorations for the children's rooms and shared areas. This gift helps to lift the spirits of the children, bring them hope and provide a better place to live.

Thanks to the Rotary Club, Rotoract and ALL those in the community who continue to sacrifice in order to create a safe haven for children who have nowhere else to go.

**If you would like to contribute to the shelter, please visit our website or call Bibi Hanson at the Pathways office.**
